

ALDAU  
STRAND

## THE PROJECT

ALDAU Strand is an exquisite gated beachfront residential compound in the heart of Hurghada. Overlooking the white sandy beach and the crystal clear water of the Red Sea makes ALDAU Strand your getaway all year round.

## LOCATION

Located on the Red sea coastline at the beginning of the touristic promenade, just a short walk to ALDAU Village Mall and surrounded with all facilities and amenities.

In close proximity to Hurghada's Marina and less than 10 minutes' drive from Hurghada International airport ALDAU Strand has numerous options of eateries, restaurants, bars and nightlife, in addition to all the city facilities and amenities that makes it a convenient residence whether for a short break or permanent living.

## UNIT TYPES AND FINISHING

Our fully finished units feature contemporary modern & practical designs. A wide variety of units from studios, one, two, three bedroom apartments and pent-houses. All of which are finished to high-end German quality standards, ensuring durability and attention to the smallest details.

Majority of the units enjoys a direct sea, pool and plaza view.
